

Quality foods from quality ingredients

PRODUCT CATALOGUE

*Kishwan*TM

We formed **KISHWAN - BANOFUL GROUP** and started our operation in 2005. Within a short span of time, the group has acquired its own place as a well known and diversified food processing group of Bangladesh. Our prime object is to promote public welfare through supply of pure, delicious and nutritious food products in absolute hygienic way.

KISHWAN - BANOFUL GROUP always produces quality product from quality ingredients. Consuming our products, one can easily understand that we are not less than the status of a world- class food products manufacturer through our full technical knowledge , performance in the realms of health and safety. Our products are being exported to 21 countries throughout the globe.

We believe, it is not possible to produce excellent products only by machine and quality ingredients alone, high standard processing know-how and unity of all staffs' mind is equally important. Keeping this concept in our view, We have formed our management team to a highly expertise one to provide excellent products before our honorable consumers.
